

FOLK DANCER/ONLINE INDEX

Vol. 1 No.1 (Summer 1969) to Vol. 47 No. 5 (December 2016), inclusive

Created by Karen Bennett. Not indexed: most editorials and like content written by editors while they hold that position, most letters, ads, most recipes prior to June 15/95, cartoons, coming events, photographs, and social announcements (made in a column whose title varied a lot, including "Hiers Ek Wiers," "Tidbits," "From the Grapevine" and "The Back Page"). Prior to the 1990s, articles weren't usually indexed under author as well as subject, so this combination index/bibliography will not include under a person's name everything they wrote. (A future iteration of this index will include more bibliographic info. that dates pre-1990.) Abbreviations: "AGM" stands for Annual General Meeting, "bio" for biography, "fd" for folk dance, "J/J/A" for June/July/August, and "OFDC" for Ontario Folk Dance Camp. The newsletter title has been variously OFDA, OFDA Newsletter, Ontario Folk Dance Association Newsletter, Ontario Folk Dance Association Magazine, Ontario Folkdancer, Ontario FolkDancer, Folk Dancer: The Magazine of World Dance and Culture, and Folk Dancer Online: The Magazine of World Dance and Culture.
